

PRODUCT INFORMATION

Rectifier module for Hahn & Sohn HDE 9000 power generator

Original rectifier module designed for the Hahn & Sohn HDE 9000 diesel generator. It ensures proper conversion of alternating current to direct current to power the control and charging circuits of the generator

PARAMETER	VALUE
Category	Other
Weight	0.3 kg
Part type	rectifier module
Usage	diesel generator
Compatibility	Hahn & Sohn HDE 9000
Function	rectification of alternating voltage to direct voltage
Design	printed circuit board with relay
Connection	connectors according to the original wiring of the power generator

Data from Hahn & Sohn product documentation. Before selecting a model, confirm the intended application, configuration and operating conditions.
